A photograph of a man with glasses and a yellow and white striped polo shirt standing next to a red open-wheel race car. The car has the number '6' on its side. The background shows a museum-like setting with other cars and railings.

1974 INDIANAPOLIS WINNER
 No. 14 MCLAREN

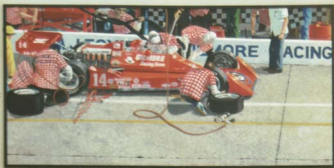

Driver:	Johnny Rutherford	Points:	McLaren
Engine:	McLaren-Cosworth	Engine:	3.0 Lit. Cosworth
Qualifying Speed:	236.448 mph	Constructor:	McLaren
Racing Position:	1st	Year:	1974
Race Speed:	178.975 mph	Manufacturer:	McLAREN CO. LTD.

Johnny Rutherford won his first Indianapolis 500 in this No. 14 McLaren in 1974. It was the second victory at Indianapolis for McLaren as they won with Mark Donohue at the wheel in 1972.

Rutherford threw an engine in practice prior to the start of the four qualification session and, although he had the second fastest speed average, he started from the 25th position in a "second day" qualifier.

On race day Johnny worked his way through the field of 250 laps, including the final 24 for the victory. He averaged 178.975 mph to victory in the Premier
